A screenshot of a web browser displaying a PHP page. The browser's address bar shows 'localhost/mari/php/test.php'. The page has a light orange background. At the top, it says 'Soy una página web en php' in orange text, flanked by two red maple leaf emojis. Below this, it says 'Bienvenidos a PHP' in black text. Further down, it displays a user profile for 'Mariana Garcia' with a yellow smiley face emoji, '17 años', and 'Programación' with a red maple leaf emoji, followed by '5PV'. There is a dropdown menu showing 'Mariana Garcia' and a table with the same profile information. On the right side, there is a dark sidebar with a user profile for 'mariana cbtis' and a list of other profiles.
